

TESTIMONIAL
for
GROVE & ASSOCIATES REPORTING

Kathy, as I understand it, you would like a short testimonial for use on your website. I have absolutely no hesitation in highly recommending you and your firm as the best court reporting agency with whom we have ever worked. You and I have known each other and worked together for over twenty years, believe it or not. I think that you would agree that we have had just about every kind of case that can be presented in the civil litigation field. On each occasion you and your courteous and professional staff have handled every assignment with care and have produced accurate and timely transcripts throughout.

We have also had plenty of occasions where we needed a court reporter on short notice due to unforeseen circumstances. I am sure you will remember the hotly contested jury trial that we had last Fall in the Law Division at the Daley Center in Chicago. We had an agreement with the other side that they would be providing a court reporter. When the court reporter failed to show on the morning of the trial, I called your office and you somehow had someone there within thirty minutes, avoiding further embarrassment and delay. Even the judge was impressed.

Finally, on a personal note, you and your staff have always appeared with a positive attitude and have always done everything possible to help create a less stressful atmosphere during depositions and at trial.

I wish you the very best both now and in the future.
